Cipher This Out.

Dependable clothing, lowest prices, and liberality in business methods, have built up for us the largest retail clothing business in the country, and saved customers many a dollar.

Aren't these the very base and sinew of getting your confidence?

The ready-made clothing we sell is equal in its thoroughly good workmanship to the goods you have a habit of going to the tailor for.

Is the quality, too. There's many a quality of cloth we make up that the merchant tailor has to get more money for; he buys it in smaller quantities; it costs him more, and then, you.

Our lowest make will stand comparison, and the clothing give you long and true wear beyond any you are accustomed to.

Who can beat the manufacturer? Our prices are cash-bottom ones for the qualities. If you don't fare as well as you wanted to, and are dissatisfied, bring the clothing back and get your money.

Chicago, Oct. 20.

We have engaged the services of Mrs. F. H. KENNEDY of 227 Michigan-av., who is well known to the public as a competent and efficient Dressmaker, to take charge of our Dressmaking Dept. On Monday next, under the new management, our rooms will be open, when Mrs. Kennedy will be pleased to see all her old patrons and give them her personal attention. The business management will, as heretofore, be under Miss Hodgkinson from England.

We make a specialty of Misses' and Children's Suits, and are prepared to make them at very low prices.

Worth Investigation.

True it is that Furniture is made more beautiful this season than ever, and yet one can furnish at one-half the former expense.

For instance: You may have seen a Bedroom Suite at $100; and the one we now offer at $60 would suit you much better.

Our $25 Side Board you would say is better value than one at $75 bought by your friend. Everything else in the same ratio.

Our Warerooms are free to all, and a visit will prove beneficial.

Our Prices this season are particularly "selling."
